### Tenshinhan

Koei Tecmo has released a brand new trailer for *LawBreakers*. *Tenshinhan* brings you the player perspective of proceedings in the Wasteland.

*Showcasing the mountains and valleys of the Wasteland as having high levels of biodiversity, this post-apocalyptic area is the home to the forces of the law, and their nature and depiction is dramatically different from that of the lands described in the Far East. An expansive and complicated part of the world, endowed with diversity that adds an unexpected element to the world.*

Of note for players are the visions depicted in the trailer. Plagued by visions of the end of the world, these final hours are a time of desperation, but also a time of enlightenment. The sight of the crumbling laws of this world will take faith.

*Be the hero of your generation. Unleash your inner power and become the hero of the law and the Wasteland!*
