There's a lot of good information about each of the fonts mentioned here. A PDF compiled by a jury of judges consisting of: Stephen Coles, Jan Middendorp, Veronica Elsner, . (click on name for more details). I learned not long ago that fonts must be installed on your computer in the same folder as the .pdf. I wanted to do this to prevent future errors. So I created a script that installs in c:\\fonts\\, and copies the fonts to c:\\fonts\\myfonts. This creates a file in c:\\fonts\\myfonts.txt. This file contains a list of the fonts I have installed so far. I also added a new font to this list that I recently installed.
