Possessing Arceus' powers, you and your three companions fight to survive various evolutionary stages of Pokemon, using them as a tool to travel through the world. Through these forms, Arceus is able to travel through various dimensions and places, and goes through three different levels of evolution. On your journey, you'll find many Pokemon, including starters, which you can then raise and level up. Once you evolve a Pokemon, you'll have a variety of different attacks and evolve another. Beating the Arceus game awards you with 10 badges, which are then accumulated in the Pokemon Heroes app for use in the main game. With the various evolution forms, you can evolve the different Pokemon over the course of the game. By evolving the right Pokemon, you can progress through each area in the game, doing new missions, and unlocking more and more areas. This also helps you Pokemon Heroes: You can use the app to level up the Pokemon you found in the various areas. In the game's separate Arceusgames, you control Arceus during your adventures through each place. In some cases, you'll Pokemon Heroes: You can use the app to level up the Pokemon you found in the various areas. You'll be battling wild Pokemon throughout your travels, as well as training your Pokemon in each of the games, making it easier to do other things, such as battle gym leaders. Ninten is a little like the kid's own version of Link. He can use various items to help you along or he can enter the many caves and dungeons and get them to hand over treasure. There are seven islands in total where you can start his journey in the sequel. You have to capture 6 Pokmon and trade them to a Pokmeon Ranch on each island to be introduced to his own kind, who call him a Pokmon Trainer. By beating a Pokmon in battle, you can earn more Pok Ball Throw: This game is quite similar to the Pokemon Diamond game in that you throw a rubber ball at Pokmon to find them. You first work your way up to the higher level items and then you get different kuapns. Finding the Pokmon: You search for a specific Pokmon by searching the various areas with the touch screen. In this game, the Pokemon have more than one form - this game is based in the anime and includes all Pokemon in their very first form. They then go through several stages: These are unlocked by obtaining Gold on the previous form. If you obtain a Pokmon's phone number in a letter, then it's possible to contact it by phone. This will require him to come back to the island where the Pokmon lives - and they only appear on certain islands.
