As a manager of your football club, the atmosphere in the club, an atmosphere, often dictated by the owner, in many cases, can be very important, but you need to be involved with the supporters. In Football Manager as one of the most important and one of the most difficult jobs - the manager, you will be able to take care of all aspects of the club, but in the case of the manager, you can play an important role in the atmosphere in the club. You can buy new players, listen to the crowd, you can also listen to the sounds in the stadium, hear the fans, or you can even go to your rival's club and see what is happening there. With the 'Express Transfer' feature, you will be able to try everything, you will be able to do anything that is needed to help you in this relation to the supporters. In the game, Football Manager, there are many ways to increase the club's popularity. The first way is to achieve sporting success, and the only way is to become a World Cup winner. As a top manager, you will receive assistance from powerful sponsors. As a smaller club, you need a bigger stadium and a better stadium to attract the elite transfer targets. The second way is to use the transfer budget wisely. The third way is to make good use of the finances. The fourth way is to be winning. The fifth way is to use the Premier League to become a more popular club. The sixth way is to be the most popular manager in the world. The seventh way is to be able to manage two or more clubs at the same time, and the eighth way is to use the stars. Still there are more ways to be popular. In the latest version of the football manager, you can do everything to make your
