Sep 22, 2021 " Valve has just released the newest operation for CS:GO, Riptide. With new maps, skins, and unlockables, it's another big blip. You can start playing RIPTIDE today. Let's take a look at these new cards and skins. Cards The main map of RIPTIDE is very similar to Chimera and Hijack with a few minor changes. You can see this in the map overview you are reading. The first map was created in the "Survival" genre, where the goal is to survive, not die or die at the hands of enemies. You can see this in a game where two teams of 8 have to fight against each other.
