Group to Calendar in c# I want to make a menu group in my application that when I click on it, the

Calendar opens. When I click on a "Day" item on my menu group, the following code has to be

called: public void calender_SelectionChanged(object sender, SelectionChangedEventArgs e) {

calender.SelectionChanged += calender_SelectionChanged; int selected =

calender.SelectedDate.DayOfWeek; calender.Visible = true; calender.CalendarView =

CalendarView.SingleDay; calender.FirstDayOfWeek = selected; calender.Visible = true;

calender.NavigationMode = CalendarNavigationMode.MonthView; this.ShowView(new
